Determining Responsible Person Policy

Mandatory – Quality Area 4

PURPOSE

This policy will provide guidelines to assist in determining the Responsible Person at Harrietville Bush Kinder.

POLICY STATEMENT

1. VALUES

Harrietville Bush Kinder is committed to:

- meeting its duty of care (refer to *Definitions*) obligations under the law
- ensuring staffing arrangements contribute to the health, safety, wellbeing, learning and development of all children at the service
- meeting legislative requirements for a Responsible Person to be on the service premises at all times.

2. SCOPE

This policy applies to the Approved Provider, Nominated Supervisor, Service Manager, Certified Supervisor, educators, staff, students on placement, volunteers and parents/guardians of Harrietville Bush Kinder.

3. BACKGROUND AND LEGISLATION

Background

Under the *Education and Care Services National Law Act 2010*, it is an offence to operate an approved centre-based education and care service unless a Responsible Person is present. Legislation requires that centre-based services have a Responsible Person physically in attendance at all times the service is educating and caring for children. The Responsible Person is the person in day to day charge at the service and can be either:

- the Approved Provider (or the person in management or control of the service),
- the Nominated Supervisor of the service, or
- a responsible person who has been placed in day-to-day charge of the service.

For more information regarding these terms, refer to *Definitions*.

An Approved Provider must not operate a service unless there is a Nominated Supervisor appointed for that service. The Nominated Supervisor does not have to be in attendance at the service at all times, but in their absence, a responsible person is to be placed in charge, ensuring there is always someone on the service premises who has been assessed as fit and proper.

Approved providers will nominate a responsible person for each approved education and care service. To be a responsible person they are required to give written consent and in event of absence of nominated supervisor will be:

- responsible for the day-to-day management of the service; or
- exercising supervisory and leadership responsibilities for part of the service.

People who hold the title of responsible person can also be placed in day-to-day charge of the service. It is important to note that a responsible person **does not** have the same responsibilities under the National Law as the Nominated Supervisor.

The staff record must include the name of the responsible person at the centre-based service for each time that children are being educated and cared for by the service (Regulation 150).

The terms defined in this section relate specifically to this policy. For commonly used terms e.g. National Law, National Regulations, Regulatory Authority etc. refer to the *General Definitions* section of this manual.

Approved Provider: An individual or organisation that has completed an application and been approved by the Regulatory Authority as fit and proper (in accordance with Sections 12, 13 and 14 of the National Law) to operate one or more education and care services. Where the applicant is an organisation, each person with management and control of that organisation must complete a separate application form. (Note: Under the *Education and Care Services National Law Act 2010*, Section 5, Definitions: “ **person with management or control**, in relation to an education and care service, means – (b) if the provider of the service is an eligible association, each member of the executive committee of the association who has the responsibility, alone or with others, for managing the delivery of the education and care service” .)

Approved service: An education and care service for which a service approval exists. A request for service approval must be made in writing to the Regulatory Authority and include prescribed information including details of the Nominated Supervisor and their written consent to be nominated as such.

Certified Supervisor: An educator who has been nominated by the Approved Provider or the Nominated Supervisor of a service (in accordance with the National Regulations), and consents in writing to being placed in day-to-day charge of the education and care service. A Certified Supervisor can be any person engaged to be responsible for the day-to-day management of the service, or with supervisory and leadership responsibilities at the service. Any person placed in day-to-day charge of the service must be assessed as a fit-and-proper person (refer to *Definitions*) and have suitable skills, qualifications and experience as determined by the service. Individual supervisor certificates are also still valid.

A Certified Supervisor placed in day-to-day charge of a service **does not** have the same responsibilities under the National Law as the Nominated Supervisor.

Duty of care: A common law concept that refers to the responsibilities of organisations to provide people with an adequate level of protection against harm and all reasonable foreseeable risk of injury.

Fit and proper: In determining whether an applicant is fit and proper, the Regulatory Authority must take into account the applicant's history of involvement in education and care services, their compliance with current and prior law, criminal history record check and any bankruptcy or insolvency issues. The Regulatory Authority may reassess fitness and propriety at any time. Applicants are required to complete the Declaration of Fitness and Propriety form on the ACECQA website and have this approved by the Regulatory Authority. This form must be completed by an individual provider applicant or in the case of an entity provider applicant, each person with management or control of a service. The form is available at: <http://acecqa.gov.au/application-forms/provider-approvals/>

(Note: Under the *Education and Care Services National Law Act 2010*, Section 5, Definitions: "**person with management or control**, in relation to an education and care service, means – (b) if the provider of the service is an eligible association, each member of the executive committee of the association who has the responsibility, alone or with others, for managing the delivery of the education and care service".).

Nominated Supervisor: A person who has been nominated by the Approved Provider of the service under Part 3 of the Act and who has consented to that nomination in writing can be the Nominated Supervisor. All services must have a Nominated Supervisor with responsibility for the service in accordance with the National Regulations. The Approved Provider must take reasonable steps to ensure the Nominated Supervisor is a fit and proper person (refer to *Definitions*), with suitable skills, qualifications and experience. The Regulatory Authority must be notified if the Nominated Supervisor for the service changes or is no longer employed at the service.

Supervisor Certificate: A supervisor certificate is provided to each centre-based service by the Regulatory Authority. The Approved Provider can nominate a person or persons to be the Certified Supervisor (refer to *Definitions*) at the service without requiring Departmental approval or paying a fee. Individual supervisor certificates are still valid, however most individuals no longer need to apply.

Responsible Person: The Approved Provider (if that person is an individual, and in any other case the person with management or control of the service operated by the Approved Provider) or a Nominated Supervisor or Certified Supervisor who has been placed in day-to-day charge of the service in accordance with the National Regulations.
